RE: letter of Recommendation

John Keane
Keane Constructors Inc.

To Whom It May Concern:

I am very pleased to provide a letter of recommendation for John Keane owner of Keane Constructors Inc. Our relationship dates back seven years and has included repair and upgrade of an existing commercial project and the complete design and build of a second commercial project. In both cases John has provided immense value to each project due to his extensive knowledge medical building construction, quality of workmanship, competitive pricing and efficiency.

I have been so pleased with John's work I have had him do small projects to my personal residence and am planning on having John do a complete remodel of my second home.

I would without any question recommend John and Keane Constructors Inc. for any building project both commercial or personal.

Sincerely,

Michael K. McCray, M.D.
